## Health Benefits Laws Compliance Assistance Seminar

June 19 & 20, 2019

### Why should you attend this seminar?

If you are an employer who is trying to comply with federal and Wyoming state laws regarding your health plan, this is your chance to talk to both federal and state regulators at the same time, in the same place. If you are a third party administrator or a carrier who has questions about new laws and issues, this is your opportunity to ask the experts.

The U.S. Department of Labor is teaming up with the Wyoming Department of Insurance to bring you practical information, helpful tips, and clarification regarding Wyoming and federal health benefits laws.
