Re: Written Consent to Engage in the Business of Insurance Pursuant to 18 USC §§ 1033 and 1034

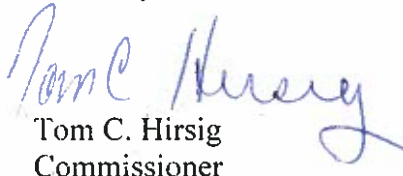

Dear Ms. Warren:

On April 8, 2013, you submitted an application for a resident insurance producer license. On June 10, 2013, an application for written consent to engage in the business of insurance pursuant to 18 USC §§ 1033 and 1034 was submitted. The Department of Insurance for the state of Wyoming has reviewed your application and related materials. Based upon the results of our investigation your application is being approved.

In reviewing your application, the Department considered the nature and duties of the occupation of an insurance producer and the nature and seriousness of your conviction. This letter grants you written consent to be employed in the business of insurance from the Wyoming Department of Insurance, pursuant to federal law, 18 U.S.C. §§ 1033 and 1034.

This written consent only applies to your position as an insurance producer and states that you are to be employed as a licensed insurance producer with Property and Casualty authority with Drinkle Insurance, should you be employed in any other position or with another company, a new written consent will be required.

Sincerely,

  
Tom C. Hirsig  
Commissioner
