Docket No. 13-05

STIPULATION FOR CONSENT ORDER

IT IS HEREBY AGREED AND STIPULATED by and between Nathan Richard Rand ("Respondent") and the Wyoming Insurance Department ("Petitioner"), as follows:

1. The Wyoming Insurance Commissioner has jurisdiction over this matter pursuant to Wyo. Stat. §§ 26-1-103, 26-2-109, and 26-9-211.

2. A uniform application for a resident producer license was received by the Department on the 30th day of October, 2012, from Respondent herein.

3. The “Applicant’s Certification and Attestation” on Page 4 of the uniform application states, “I hereby certify that, under penalty of perjury, all of the information submitted in this application and attachments is true and complete. I am aware that submitting false information or omitting pertinent or material information in connection with this application is grounds for license revocation or denial of the licensing and may subject me to civil or criminal penalties.”

5. Question 1 on the uniform application asks, “Have you ever been convicted of a crime, had a judgment withheld or deferred, or are you currently charged with committing a crime?” The question goes on to define “crime” as including “a misdemeanor, felony or a military offense.” The term “convicted” as used in the application, “includes, but is not limited to, having been found guilty by verdict of a judge or jury, having entered a plea of guilty or nolo contendere, or having been given probation, a suspended sentence or a fine.” Applicants are not required to disclose “misdemeanor traffic citations or convictions involving driving under the influence (DUI) or driving while intoxicated (DWI); driving without a license, reckless driving, or driving with a suspended or revoked license and juvenile offenses.”

6. Respondent answered “No” to Question 1 on the uniform application dated October 15, 2012.

7. Before approving the application, the commissioner must find that the individual “has provided the commissioner fingerprints and other information and permission necessary for a criminal history record background check as provided in Wyo. Stat. § 7-19-201(a).”

8. Respondent submitted fingerprint cards which the Department forwarded to the Division of Criminal Investigations for a Criminal History Report.
9. While the contents of the Criminal History Report received from the Division of Criminal Investigation are confidential, information in the report indicated that Respondent had a prior conviction for a misdemeanor in 2006.

10. Respondent has submitted an explanation and desires an amicable resolution of the matter.

11. In lieu of further proceedings herein, it is hereby agreed that it would be in the best interests of the parties to settle this matter as follows:
   a) Respondent voluntarily waives the right to a hearing in this matter and voluntarily enters into this Stipulation for Consent Order ("Stipulation").
   b) Respondent admits to the allegations set forth herein.
   c) Respondent agrees to pay a civil penalty in the amount of Two Hundred Dollars ($200.00) payable to the Wyoming State Treasurer, simultaneously with the execution of this Stipulation.
   d) Respondent agrees to obey the laws of the state of Wyoming, specifically including the Wyoming Insurance Code.
   e) The parties agree that this Consent Order is a public record and contains information which is routinely reported to the National Association of Insurance Commissioners' "RIRS" database. Respondent acknowledges that this matter constitutes an administrative action that may need to be reported to each state in which Respondent is licensed.
   f) Respondent will submit a new application with a corrected answer to Question No. 1.

12. By entering into this Stipulation and by the filing of a Consent Order in this case, the Respondent and the Department intend to and do resolve all issues pertaining to the license disciplinary administrative penalties to be imposed against the Respondent based upon the allegations herein.

13. This Stipulation is subject to the approval of the Commissioner. Upon his approval, and without further notice, the Commissioner may issue a Consent Order providing for the following:
   a) Incorporation by reference all the terms and conditions of this Stipulation.
   b) That upon compliance with the terms of this Stipulation, this matter will be fully resolved and closed.
