Have you or any business in which you are or were an owner, partner, officer or director ever been involved in an administrative proceeding regarding any professional or occupational license?

“Involved” means having a license censured, suspended, revoke, canceled, terminated; or, being assessed a fine, placed on probation or surrendering a license to resolve an administrative action. “Involved” also means being named as a party to an administrative or arbitration proceeding which is related to a professional or occupational license. “Involved” also means having a license application denied or the act of withdrawing an application to avoid a denial.
